# Current News

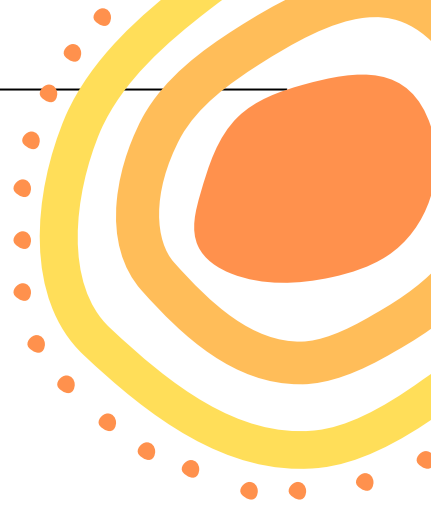

It was an immense honor to be invited by City School as a panelist for the Early Years Summit 2025. I was privileged to share the stage with some of the most influential and respected leaders, educators, and experts in Pakistan. The opportunity to engage in meaningful discussions on early childhood education alongside such a distinguished group of professionals was both inspiring and enlightening.

Being part of this prestigious event allowed me to not only contribute my insights but also learn from the wealth of knowledge and experience that the other panelists brought to the table. The summit provided a platform for thought-provoking conversations and collaborative efforts aimed at shaping the future of early education in Pakistan. It was truly a memorable and enriching experience, one that I will cherish as I continue to advocate for the importance of early childhood development in our country.

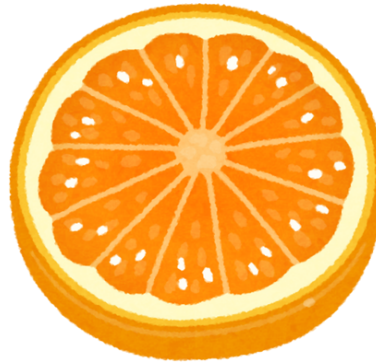

# Sports Day

Our Sports Day was a huge success, filled with energy, excitement, and unforgettable moments! From thrilling races to spirited team competitions, everyone brought their A-game. It was a day of fun, friendly rivalry, and incredible sportsmanship that brought our community together. A big thank you to all the participants, volunteers, and supporters who made the day so special. We can't wait for next year's event!

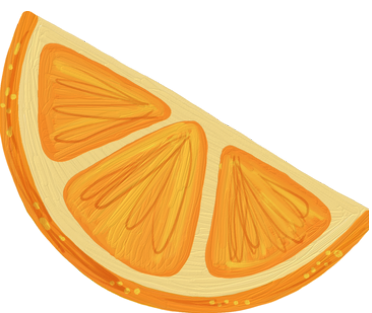

# Orange Day

This month, we had the vibrant and fun-filled celebration of Orange Day! From wearing bright orange to engaging in creative activities, our community came together to embrace the warmth and energy that the color represents. The day was full of joy, laughter, and a splash of creativity as everyone participated in exciting events and shared their passion for all things orange!

It was a wonderful opportunity to celebrate unity, creativity, and the spirit of togetherness. We couldn't have asked for a more colorful and cheerful day!
